Our Services

Omnichannel Tailored Payment Solutions

Empowering businesses and technology partners to design solutions tailored to meet consumers where they are ready to buy is at the core of what we do. With sales engineering and solutioning, our proprietary omnichannel technology takes this commitment a step further:

1. Turnkey Out of the Box
Maximize efficiency with our ready-to-go solutions, minimizing setup time.

2. Mix & Match for Best of Both Worlds
Tailor your solution for the best of both worlds - customization without compromise.

3. Library of APIs
Dive into a rich API library for customized and enhanced solutions.

Merchant and Partner Support

Financial technology company with a comprehensive suite and a passion for quality customer (sales partner & merchant) experiences.

White-Glove Service

24-hour industry leading support, ensure all your questions are answered and your wait time is less than 10 seconds.

Wholesale Processing

Direct, cost-effective, transparently priced solutions with in-house underwriting and risk management, ensuring secure transactions.

POS Products and CURV Integration

Streamline operations with our advanced Point-of-Sale products, seamlessly integrated with CURV for added convenience.

Our Commitment

At PAYARC, your success is our priority. We're dedicated to providing not just services, but tailored solutions that empower your growth. With a team of experts, industry-leading technology, and a commitment to excellence, we're redefining payment processing.
