

Unlock effortless onboarding with PAYARC!

At PAYARC, we understand that time is crucial for businesses. That's why our onboarding process is designed to be swift and seamless, ensuring you can start accepting payments without delay.

White-Glove Customer Service

We believe in providing nothing less than white-glove service. Our dedicated team is not just knowledgeable, they're genuinely committed to your success. Rest assured, we're here to provide expert guidance and address any inquiries promptly. With an average wait time of less than 15 seconds, you'll experience a level of customer service that's second to none.

In-House Risk and Underwriting Team

We go the extra mile to ensure your success. That's why we have our very own in-house risk and underwriting team. They play a pivotal role in our onboarding support, ensuring that every application is meticulously evaluated. Their expertise helps navigate complex scenarios, ensuring a seamless experience for you.

Onboarding Support, 24-Hour Approval

Time is of the essence in business, and we understand that. Our streamlined onboarding process is designed for efficiency. With our 24-hour approval system, you can expect swift access to the tools and resources you need. No long waits or unnecessary delays. We're committed to getting you up and running in the shortest time possible.

High Risk, Sponsor Bank Relationships

Operating in high-risk industries comes with its own set of challenges. But at PAYARC, we've got it covered. With a deep understanding of these industries, we've cultivated strong relationships with multiple banks. This ensures that your onboarding process remains smooth and hassle-free. Say goodbye to unnecessary complications.

Training

At PAYARC, we believe that knowledge is power. Our training programs are meticulously crafted to empower you with industry-specific expertise and in-depth knowledge of PAYARC's offerings. With our training, you'll not only master the intricacies of payment processing but also gain insights to excel in your business.
