

# Unleash possibilities with PAYARC and NMI integration!

## One Gateway, Every Solution

Supercharge your business across in-store, mobile, online, or self-service platforms. Simplify your operations with a unified payment gateway.

## Stay Competitive

NMI handles the complexities of building, maintaining, and securing a cutting-edge payments platform, including Payment Facilitation Enablement technology.

## Maximize Revenue with PAYARC x NMI

Through the NMI Gateway and IProcess app, take advantage of ready-to-deploy solutions that reduce time to market, amplifying revenue opportunities for you and your merchants.

## Outstanding Customer Experiences

Simplify merchant services and stay ahead in a dynamic industry with technology that matters.

## Ready to elevate your payment game?

Turn to PAYARC with NMI integration.
