

# Effortless billing and invoicing

## Key benefits of PAYARC's billing and invoicing

### Customizable Invoices

Tailor invoices with your brand's unique style. Add logos, adjust colors, and include personalized messages for a professional touch.

### Real-time Invoice Tracking

Stay in control of finances with instant status updates. Know when invoices are viewed, paid, or due for complete peace of mind.

### Manual and Recurring Invoicing

Take charge of your invoicing. Create one-time or automated recurring invoices for accurate, timely transactions that reflect your business's professionalism.

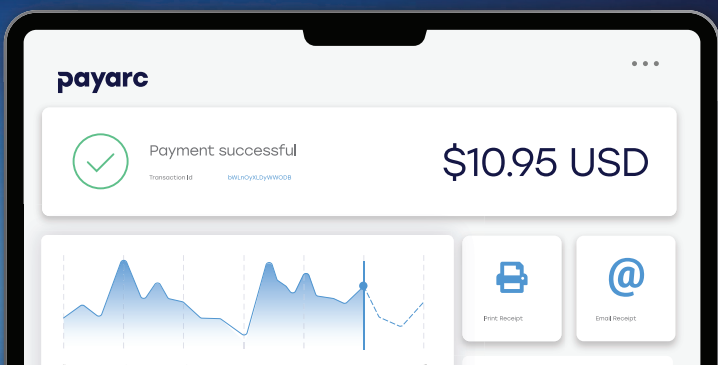

### Recurring Billing for Subscriptions

Automate billing for subscription-based businesses. Customize intervals, set trial periods, and manage changes with ease.

### Discount Management

Easily apply percentage or fixed amount discounts to maintain pricing flexibility and transparency with your customers.

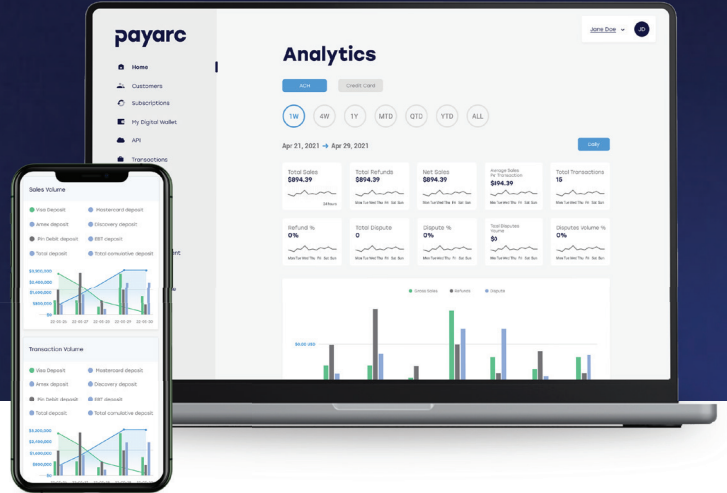

With PAYARC, invoicing becomes an integrated and streamlined process, allowing you to focus on growing your business while ensuring your financial operations run smoothly.

## Our Services

### Omnichannel Tailored Payment Solutions

Empowering businesses and technology partners to design solutions tailored to meet consumers where they are ready to buy is at the core of what we do. With sales engineering and solutioning, our proprietary omnichannel technology takes this commitment a step further:

#### 1. Turnkey Out of the Box

Maximize efficiency with our ready-to-go solutions, minimizing setup time.

#### 2. Mix & Match for Best of Both Worlds

Tailor your solution for the best of both worlds - customization without compromise.

#### 3. Library of APIs

Dive into a rich API library for customized and enhanced solutions.

### Merchant and Partner Support

Financial technology company with a comprehensive suite and a passion for quality customer (sales partner & merchant) experiences.

### White-Glove Service

24-hour industry leading support, ensure all your questions are answered and your wait time is less than 10 seconds.

### Wholesale Processing

Direct, cost-effective, transparently priced solutions with in-house underwriting and risk management, ensuring secure transactions.

### POS Products and CURV Integration

Streamline operations with our advanced Point-of-Sale products, seamlessly integrated with CURV for added convenience.

## Our Commitment

At PAYARC, your success is our priority. We're dedicated to providing not just services, but tailored solutions that empower your growth. With a team of experts, industry-leading technology, and a commitment to excellence, we're redefining payment processing.
