

Seamless online ordering solutions with PAYARC

Why PAYARC's online ordering solutions?

True Omnichannel Experience

Leverage our user-friendly interface designed to facilitate seamless e-commerce, mobile, and in-person payments. Enhance your sales with an online presence and connecting with customers through a simple and intuitive process, designed with your business in mind.

Centralized Management

Simplify operations with a centralized system that efficiently manages orders from all channels. Enjoy real-time updates and access to detailed reporting, giving you complete control and visibility over your order management process.

Fully Integrated Online Ordering Menu

Customize your menu with product attributes and easily manage it through our integrated system.

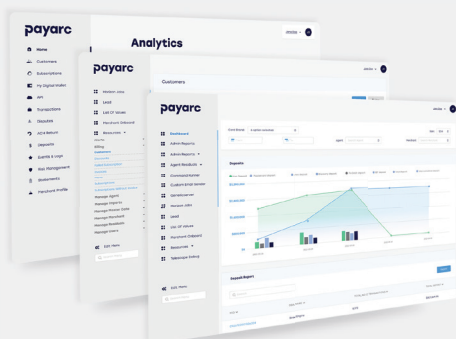

Point of Sale Integration

Orders placed online connect to your point of sale system, allowing for efficient printing on kitchen and receipt printers.

DoorDash Integration

Integrate with DoorDash to have GPS tracking and save 30% on commission fees, maximizing your profits.

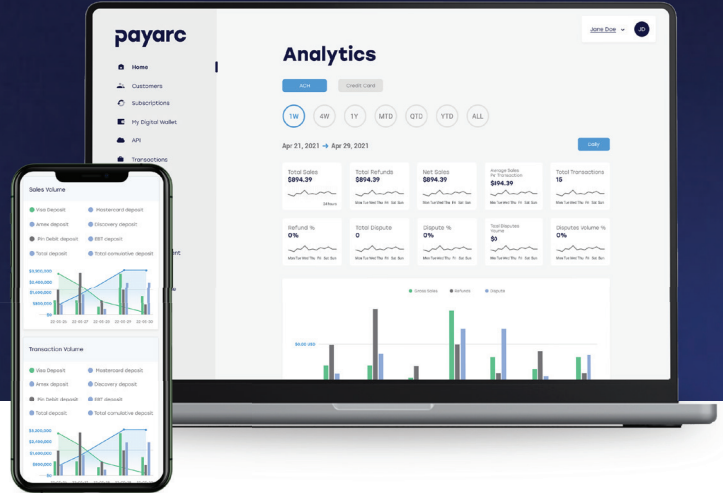

Explore the future of online ordering with PAYARC. Our solutions offer seamless omnichannel excellence for unified order management. From customizable menus to integrated POS systems and strategic DoorDash integration, we optimize your operations. Elevate your ordering experience with PAYARC today.

Our Services

Omnichannel Tailored Payment Solutions

Empowering businesses and technology partners to design solutions tailored to meet consumers where they are ready to buy is at the core of what we do. With sales engineering and solutioning, our proprietary omnichannel technology takes this commitment a step further:

1. Turnkey Out of the Box

Maximize efficiency with our ready-to-go solutions, minimizing setup time.

2. Mix & Match for Best of Both Worlds

Tailor your solution for the best of both worlds - customization without compromise.

3. Library of APIs

Dive into a rich API library for customized and enhanced solutions.

Merchant and Partner Support

Financial technology company with a comprehensive suite and a passion for quality customer (sales partner & merchant) experiences.

White-Glove Service

24-hour industry leading support, ensure all your questions are answered and your wait time is less than 10 seconds.

Wholesale Processing

Direct, cost-effective, transparently priced solutions with in-house underwriting and risk management, ensuring secure transactions.

POS Products and CURV Integration

Streamline operations with our advanced Point-of-Sale products, seamlessly integrated with CURV for added convenience.

Our Commitment

At PAYARC, your success is our priority. We're dedicated to providing not just services, but tailored solutions that empower your growth. With a team of experts, industry-leading technology, and a commitment to excellence, we're redefining payment processing.
